

Solid Försäkring signs an agreement with Collector Bank

Solid Försäkring AB (Publ) ("Solid") has signed an agreement with Collector Bank to provide payment protection insurance in Sweden and Norway. Collector Bank will offer its customers payment protection insurance that covers the monthly amount in the event of, for example, involuntary unemployment or sick leave. The launch of the offer is planned to take place in the latter part of 2023.

"It is very gratifying that Collector chooses Solid as an independent partner in payment protection insurance. Through the collaboration, Solid contributes together with Collector to a more sustainable economy that protects the customer when the unexpected happens. The collaboration also means that we further strengthen our position in the banking and insurance market," comments Anneli Liljeros, CCO for Solid Försäkring.

"We look forward to a collaboration with Solid Försäkring, which has extensive experience and a strong track record in payment protection insurance. We have had a dialogue about starting this collaboration for some time and have come to the conclusion that the product Solid Försäkring offers is up-to-date and benefits our customers," comments Patrik Hankers, Head of Consumer for Collector Bank.
