

**Statement by the auditor in accordance with Chapter 20 section 14 of the Swedish Companies Act (2005:551) regarding the board of directors' report**

To the general meeting of Solid Försäkringsaktiebolag (publ), reg. nr. 516401-8482

We have reviewed the board of directors' report dated March 20, 2023

**The board of directors' responsibility for the report**

The board of directors is responsible for the report in accordance with the Swedish Companies Act and also for the existence of such internal control that the board of directors deems necessary in order to prepare the report without material misstatement, whether the material misstatements are due to improprieties or mistakes.

**The auditor's responsibility**

Our task is to provide opinion based on our review. We have performed the review in accordance with FAR's recommendation RevR 9 "Auditor's other statements according to the Companies Act and the Companies Regulation". This recommendation requires that we comply with professional ethics requirements and that we plan and perform the review in such a way as to ensure, with a limited degree of certainty, that the report does not contain any material inaccuracies. The firm applies ISQM 1 (International Standard on Quality Management), which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We are independent in regard to Solid Försäkringsaktiebolag (publ) in accordance with generally accepted auditing standards in Sweden and otherwise fulfilled our ethical responsibilities under these requirements

The review comprises, through various measures, collecting evidence of financial and other information in the report. The auditor selects which measures will be performed, by means of, among other things, assessing the risks of there being material inaccuracies in the report due to either improprieties or mistakes. In the risk assessment the auditor takes into account the parts of the internal control that are relevant for how the board of directors prepare the report in order to formulate the audit procedures that are appropriate according to the circumstances, but not for the purpose of expressing a statement on the effectiveness of the internal control. The review has also included an assessment of the appropriateness and the reasonableness of the assessments made by the board of directors. We believe that the evidence that we have obtained is a sufficient and appropriate basis for our opinion.

**Other information**

In their report, the board of directors has proposed a resolution which ensures that neither the company's restricted equity nor share capital will decrease. In connection with the proposed resolution on a reduction of the share capital of a total of SEK 1,074,717, the board of directors also proposes that the general meeting resolves on a bonus issue, by transfer from the company's non-restricted equity resulting in an increase of the share capital of SEK 1,074,717 and the reduction will be conditional upon a share capital increase at least corresponding to the reduction amount.

The sole purpose of this statement is to satisfy the requirement imposed by Chapter 20, section 14, paragraph 4, of the Companies Act and the statement may not be used for any other purpose.

**Opinion**

In our opinion the measures taken which, upon final registration of the resolutions, ensures that neither the company's restricted equity nor share capital decreases are appropriate, and that the assessments made concerning the effects of these measures are correct.
